Rental Car Information

If the dealership from where you rent the car (regardless of your destination) is in Georgia, use Enterprise. If you rent from outside of Georgia, use National.

Enterprise Rent-a-Car is the State vendor for in-state car rentals, under Statewide Contract number SWC-070765. Reservations can be made on the Enterprise Rent-a-Car website.

For out-of-state car rentals, the vendor is National Car Rental, on Statewide Contract number SWC 30293. Reservations may be made online on the National Car Rental website. Be sure and use the following contract ID number: Contract ID # 5004625.

- Note also that you need not elect to purchase insurance deductibles when renting vehicles off the statewide contracts; these deductibles are waived by the rental agencies.
